*ENGL 103+ Critical Thinking & Research <i>or</i>			
*PHIL 110, Introduction to Logic			

AAT-Law, Public Policy, and Society for Transfer Degree 23-24 Recommended Plan of Study - Counseling

The coursework required to earn an AD-T in Law, Public Policy, and Society has been identified as good preparation for law school upon completion of a bachelor's degree. This interdisciplinary area of emphasis emphasizes the development of communication skills, introduces students to the legal field, and prepares students for further study in a variety of majors. Students who opt to pursue this course of study are encouraged to engage in further exploration of one or more specific majors as they select electives for degree completion. Transfer & Career Opportunities. This Associate in Arts in Law, Public Policy, and Society for Transfer (AD-T) Degree is intended to meet the lower division requirements for similar majors for all CSU campuses. Students planning to transfer to institutions other than the CSU are encouraged to consult ASSIST.org and an AVC counselor for program planning and course selection. Most common career opportunities with a baccalaureate degree include: law school, legal aid worker, social worker, and community advocate. The Associate in Arts in Law, Public Policy, and Society for Transfer (AD-T) Degree degree also provides a solid preparation appropriate for a variety of scientific disciplines. The Associate in Arts in Law, Public Policy, and Society for Transfer degree (AD-T in Law, Public Policy, and Society) provides students with a major that fulfills the general requirements of the California State University for transfer, and students with the Associate in Arts in Law, Public Policy, and Society for Transfer degree will receive priority admission with junior status to the California State University system. The Associate in Arts in Law, Public Policy, and Society for Transfer (AD-T) Degree meets the requirements of SB 1440 for Associate Degrees for Transfer (AD-T). These degrees are intended to make it easier for students to transfer to California State University campuses, but do not exclude admittance to other colleges or universities. To earn an Associate in Arts in Law, Public Policy, and Society for Transfer (AD-T) Degree a student must complete the following: (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements. (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0. ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is an acceptable grade for courses in the major.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.

Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "CSU" at the end of a course description can be used as an elective for a CSU transfer and a "UC" designation for a UC school.

Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>.

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.
